Since then I have seen him in many of his films. I didn't know much about his personal life though. After reading his biography I found out that he is a straight forward person. He's frank, honest and down to earth. He doesn't reveal his feelings even to his closest friends. He even went to the extent of not telling his family about his relationship with the girl who has since become his wife. On the contrary, he showed it to his beloved fans when he announced it on his very first birthday. I love how he promotes his own film and how supportive he is for the younger generation. He is great at marketing.]]>Briana.bri.kaemara.htThu, 29 Jun 2015 03:07:05 +0000 25 Jun 2015 12:42:20 +0000 24 Jun 2015 07:37:06 +0000 24 Jun 2015 82157476af
